# Quiz contest for secondary schools

---

This will be a quiz for the first and second-year students of our university secondary schools. Teams of five will compete in an approximately four-hour quiz, featuring questions and tasks themed according to the anniversary 1918-2018. The winner will be given prizes.

By participating in the contest, all the students will intensify their knowledge, cultural memory and sense of state identity. The project objective is to use a playful form to highlight the anniversaries from different perspectives: cultural, everyday and political.
